Type your questions into the Q & A window now. We’ll answer as many questions as possible.
Questions to guide your follow-up student-family conversations:

• What are your strengths and challenges in managing your time, planning your work, accessing support, and tracking assignments? What strategies will you use at Tulane?

• If you get a disappointing grade on an assignment, test, or in a course, what academic resources will you seek out?

• How will you build your curricular and co-curricular components to create your Tulane experience?
Thank you!

We look forward to seeing you in August!
